

Refund Policy V1.0

Thank you for buying our Courses. We ensure that our students have a rewarding experience while they discover, assess, and purchase our courses.

We discourage the refund cases as it is always advisable to see the online videos/content available to assess the level of teaching and classes we provide during course, before taking final admission. Therefore we presume that anyone who is taking admission has already gone through DIPS online-presence and counselling session to understand the teaching methods and amenities provided by DIPS Academy during the course, to take well informed-decision.

However, due to any reason, if anyone, still, seeks refund, will be surely taken care of, to make their experience amazing.
